Pastor Otis Browne New Year's Message

I extend to you a blessed and prosperous new year on behalf of my family! I count it a privilege to serve this district for another term.

As I look back on the previous years, though filled with many challenges, I have seen the hand of God leading His church. I look forward to working with you to advance the mission of the church. I invite us all to begin this year with a renewed commitment to Christ's command to make disciples. My ultimate desire for the church is to see each member become a disciple of Christ, who intern will disciple others. May God bless you as we face this new year together. As your pastor, I am here to support your spiritual growth and to offer pastoral care. Please feel free to reach out to me as needed.

- *Pastor O. M. Browne*
